RE: *U.S. Patent Application No. 10/754,457 entitled "METHODS AND COMPOSITIONS COMPRISING CAPTURE AGENTS" – Thomas KODADEK Confirmation No.: 8798 Our reference: UTSD:935US*

Dear Examiner Lam:

After reviewing each of the Office Actions and the Notice of Allowability, it has come to our attention that three references listed on a Form PTO-1449 submitted with in an Information Disclosure Statement on June 30, 2004, were apparently never initialed by an Examiner.

For your convenience we have enclosed a copy of page 4 of the Form PTO-1449 listing references C25-C27 that were filed with the Patent and Trademark Office (PTO) on June 30, 2004. Also enclosed is a copy of PTO stamped postcard indicating the documents submitted. Although the Form PTO-1449 shows an examiner signature on the bottom of the page, the references are not initialed, nor is there a statement indicating "ALL REFERENCES CONSIDERED EXCEPT WHERE LINED THROUGH," as was marked on the other pages.

Please review and initial these references. If you need additional information, please let us know.

Very truly yours,

Charles P. Landrum
